**ENGAGING SOLUTIONS, LLC NAMED A WINNER OF THE CENTRAL INDIANA TOP
WORKPLACES 2022 AWARD**

Indianapolis, Ind. - Engaging Solutions, LLC was recognized as a Top Workplace of 2022 by The Indianapolis Star Top Workplaces. This award was received after the conduction of an anonymous survey administered to employees that measures organizations in 15 different categories, including alignment, execution and connection. This award marks the fifth time Engaging Solutions has been named a Top Workplace out of the five times they have submitted an application.

“Being named a Top Workplace in Indianapolis is such an amazing accolade,” said Chief Strategy Officer Kelli Lester. “And being a fifth-time winner is an achievement that we hold to the highest honor. Knowing that we’ve been able to consistently foster an environment that employees are happy to be a part of is truly humbling, and more importantly, motivating!”
